Dear Student:

MACDA believes that the Area Choir ensembles should be available to ALL qualified **Morris Area** students. We are proud to be able to offer financial assistance to waive the registration and participation fees for these ensembles for up to 25 eligible students.

Student eligibility will be determined by students' enrollment in the Free/Reduced Lunch Program at their home schools. The fee waivers will be awarded in the order in which applications are received. Please note, students must also complete the online audition registration for auditions and submit the accompanying signature page separately to their school's music director by the submission deadline. Applicants will be notified of their fee waiver status by e-mail by **mid-October.**

Please complete the following application and submit it directly to your **building principal** (not your music director) to be signed and mailed on your behalf.

Sincerely,

Joanna Scarangello
President, **MACDA**
